Telstra
Country Wide

Ballarat East Rotary Club

"Our Club has completed its BBQ trailer constructed with the assistance of a grant from the Telstra Country Wide Ballarat Community Fund and is now making good use of this fully fitted out unit to raise much needed funds for local and international Rotary charities. Club members are very grateful for the financial assistance without which this project could not have been realised". *Robin Nuttall, Secretary, Ballarat East Rotary Club*

Delacombe Junior Girl Guides

"The funds made available to our Guide unit via the Telstra Country Wide Ballarat Community Fund allowed us to purchase the much needed badge-making machine for which we had been saving for many years. We are now able to produce identification badges so the girls are easily recognised as Delacombe Junior Girl Guides at region and state Guide activities, public events and whilst performing community projects. The girls enjoy decorating their own name badges, which then gives them an immediate attachment to our Guide unit and promotes a sense of belonging". *Cherie Brown, Delacombe Junior Girl Guides.*

Wendouree Cricket Club

"With old perishing netting on its practise wickets becoming a concern, Wendouree Cricket Club sought funding from a Telstra Country Wide Ballarat Community Fund grant. Installation of the new netting has helped enormously with the safety fears we had for our members. Thank you to the Telstra Country Wide Ballarat Community Fund for the initiative in assisting local clubs such as Wendouree Cricket Club". *Darren Woodyatt, Secretary, Wendouree Cricket*

Established in 2005 as a sub fund operated by The Ballarat Foundation, the Telstra Country Wide Ballarat Community Fund provides funding support to community organisations for projects in Ballarat. To date grants totalling \$167,000 have enabled organisations to carry out vital work supporting the social wellbeing of our community.

Applications are currently open for the next round of Telstra Country Wide Ballarat Community Fund grants.

For your application go to The Ballarat Foundation website www.ballaratfoundation.org.au or the Telstra Country Wide office, level 2, Central Square, Ballarat, or call 5336 5536.

Applications close at 5pm on March 14th, 2008.
